Date of issue: **2025-11-18**

Expiry date: **2026-11-17**

DNV local unit:
Piraeus

Approval Engineer:
Tessa Biever

Notified Body
no.: **0098**

for **DNV SE**

.....
Christine Mydlak-Röder
Head of Notified Body

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV SE of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.

Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Product description

'70461-LALIZAS Thermal Protective Aid "Alusafe-T",

A thermal protective aid (bag type) for use inside survival crafts and rescue boats for persons with height 1.45 m - 2.00 m and weight of 40 - 150 kg which shall be marked accordingly.

Application/Limitation

Approved as thermal protective aid.

The TPA shall be used in conjunction with an approved lifejacket.

The design assessment is based on IMO LSA Code as amended by IMO Res. MSC.207(81).

Instructions for use to be provided for each TPA.

Production testing shall be carried out according to IMO Res. MSC.81(70) part 2 as amended.

Type Examination documentation

Tests carried out

Tests carried out in accordance with Revised Recommendation on Testing of Life-Saving Appliances, IMO Res. 81(70) part 1, including IMO Res. MSC.200(80), IMO Res. MSC.226(82) and IMO Res. MSC.323(89).

Marking of product

The product is to be indelibly marked with name and address of manufacturer, type designation and date of manufacture. The marking shall comply with LSA Code Ch. 1.2.2.9.
