TO: To Whom It May Concern

SUBJECT: Declaration of MOBIAK SA regarding PFOS content in Portable or Mobile Fire Extinguishers

With this letter, **MOBIAK** provides an official clarification and declaration that the portable and mobile fire extinguishers it produces and which are referred to in the tables below, including all parts and the extinguishing agent, are in accordance with IMO MSC.1/ Circ.1694 and SOLAS Reg. II-2/10.11 PFOS prohibition requirements and specifically do not contain PFOS in concentrations above 10 mg/kg (0.001% by weight).

As MOBIAK has never modified the extinguishing agent in the above-mentioned products, this means that from the first date of production they have been in accordance with IMO MSC.1/Circ.1694 and SOLAS Reg. II-2/10.11 PFOS prohibition requirements and specifically do not contain PFOS in concentrations above 10 mg/kg (0.001% by weight).
Sincerely,

For MOBIAK S.A.

John Gkioumes
